

20 FOR 20

20 WAYS WE WILL PROTECT FLORIDA PROSPERITY IN 2020

- Promote job opportunity through occupational licensing reform.
- Expand patient-centered, market-based healthcare reforms to address Florida's healthcare shortages.
- Safeguard the private property rights of homeowners seeking to home share.
- Address challenges in Florida's criminal justice system via effective sentencing reform.
- Promote a new Economic Development Zone scholarship program.
- Support the naming of a school choice scholarship program after Mary McLeod Bethune.
- Strengthen civics education, particularly the emphasis on America's founding principles.
- Expand use of existing education choice programs, especially the Hope and Reading Scholarships.
- Promote market-based salaries for educators in the state.
- Oppose encroachment by local governments into areas that are best served by private markets.
- Advance innovations in the sharing economy and promote free-market policies to discourage anti-competitive regulations.
- Protect worker freedom by ensuring statutes comply with Supreme Court ruling *Janus v. AFSCME*.
- Advance free speech and intellectual diversity on college campuses.
- Promote the principle of funding that "follows the student" in both K-12 and post-secondary education.
- Encourage reductions in Florida's onerous communications services tax.
- Ensure Florida insurance markets operate under the most market-based conditions.
- Promote sensible reforms to Florida's legal system that will protect residents and foster free enterprise.
- Protect the privacy of donors to philanthropic causes.
- Promote the revival of a federal "wee tots" tax credit, for parents of newborns.
- Advance greater efficiency in state government through improving interoperability and the harnessing of innovations like Blockchain to deliver better services to residents.
